### HEALTH & SAFETY

European emergency phone number

112 – police, fire, medical and rescue service

Czech emergency phone number

158 – Police

156 – Municipal Police

155 – Emergency Medical Service

150 – Fire and Rescue Service

With your health insurance you are entitled to visit any general practitioner or dentist. You should first visit a general practitioner, who will examine you and then, if necessary, arrange for you to see a specialist. Unless it is urgent, we recommend making an appointment in advance on the phone. Don't forget to take the insurance card, number or any document proving your insurance.

### Doctors (English speaking)

Do not forget to take the insurance card, number or any document proving your insurance. If the doctor doesn't accept your insurance card and asks you to pay on spot, do not forget to get your receipt/payment confirmation. You will need this document for your home insurance company, which will refund you the amount of money.
